The trans University of Washington homicide victim has been identified as a 19-ye old white male named Michael Blessing. My reporting on the victim's real identity l sparked a torrent of death threats and abuse.

Here's what we know about the victim and black male suspect: Read my reporting a *The Post Millennial*.

madeline
@forces_at_work

You will have no excuse when the time comes. You will not be let of the hook. There will be no forgiveness. It does not matter that you're a low-level stooge. There is no excuse you will ever be able to concoct that will let you off the hook for tweets like this.
